Horseshoe Lake 2009 22 hole par 69 layout

On or across the drainage canal (along the 605 freeway), any road (curb is safe), or path is OB. Into any fenced off area, or over a park boundary fence is OB. On a stationary picnic table, or its concrete base, is OB. Horseshoe Lake is OB. The two meter rule IS in effect.

There may be an OB line drawn around the boy scout area between holes 18 and 20. Verify with the TD before starting play. Do Not go into the lake, or over a fence, or into the drainage canal to retrieve a disc. Let the TD know and he will be able to make arrangements for a safe return of most plastic.

Hole #5 & hole #22 have alternate tees for the “open” and “men’s master” divs.
